PORTO PHOTO SAFARI

The Segway PT is the ultimate generation in human transportation. It's a device that requires no special skills to operate. Up and down the hills of the city, near people and buildings, roads and intersections crosses, photographs captures the best spots and feel the pulse of the city. See more, pay less, with less effort, 100% and 0% CO₂. TRY IT!

GUIDED TOURS, WHY?

See more, pay less and with less effort. Alone, with a map, we can discover the whole city. It's true. But sometimes we miss the most beautiful street corners of the city's most emblematic neighborhoods. How many times you get lost consulting the map? Or you get wrong information? How much costs a tourist guide? Does the Sightseeing Tour Bus gives you all the information? We recommend it, but none of them gives you an inside view of the city and their curiosities.

With us you will discover the city of Porto with a 100% fun, in a simple and affordable way. 0% CO₂ emissions.

ABOUT US

Our tours were designed to show you unique places, offers you the best orientation, with an informative and entertaining official guide and a great time in this beautiful World Heritage city.
